

## **ANTHONY BROOK FALLS, ANTHONY BROOK PONDS (north of St. George)**

**CAUTION: Some bushwhacking is required, so a compass and GPS are recommended.**

**Access can also be gained by walking around the north end of Red Rock Lake from the trail to Red Rock Mountain.**

### **Getting There:**

Travel route 1 to Saint George, take exit 56 and drive 2.83 km towards Lake Utopia.

At the junction of routes 780 and 785 turn left onto route 785.

Drive north 11.2 km to Red Rock Corner.

Continue north on route 785 for about 5.1 km to the Anthony Lake Road on the right. (45° 16.935'N 66° 44.968'W)

Turn onto the Anthony Lake Road and drive east 2.6 km to a road on the right. (45° 16.876'N 66° 43.038'W)

Turn right and drive or walk 2 km to a sharp left turn. (45° 15.822'N 66° 43.441'W)

Drive or walk east 370 meters to a sharp right corner. (45° 15.750'N 66° 43.170'W)

### **ANTHONY BROOK FALLS** (45° 15.801'N 66° 42.887'W)

From the corner, bushwhack on a heading of 75 degrees for 370 meters to the falls.

**From the falls, you may return to the road and go to the ponds via the directions, or instead bushwhack down the brook for 1.7 km and then exit via the Pond directions in reverse, making a loop. (use a GPS)**

### **ANTHONY BROOK PONDS** (45° 14.979'N 66° 42.912'W)

**There are several small ponds and waterfalls downstream between Anthony Brook Falls and this location.**

Return to the dirt road and continue south for 400 meters to a sharp right turn.

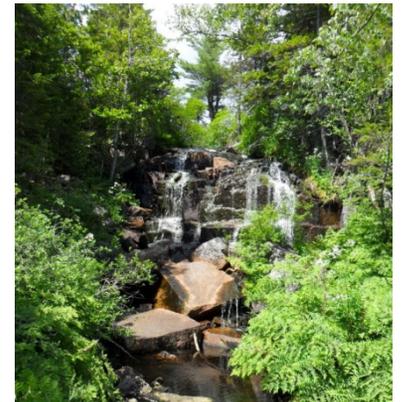

Turn right and go 320 meters to a sharp left turn.

Turn left and go south 960 meters to a sharp left corner.

Turn left and go east about 900 meters to the end of the road. (45° 14.946'N 66° 43.032'W)

Bushwhack on a heading of 68 degrees for 170 meters to the brook.
