***a 10 km return walk if the wood road is un-drivable.**

Getting There:

From the Tim Hortons in Minto, drive 20 km towards Chipman on NB-10 to Fowlers Corner.

Turn left onto NB-116 and drive 3.5 km to a 4 way intersection.

Turn left and drive about 3.1 km to a wood road on the left.

*this road is sometime un-drivable due to large ruts, so you may have to walk the remaining 5 km to Chase Falls.

Either park near the road, or drive on.

Go 2.1 km to a sharp left turn with another road going off to the right.

Go left around the turn and follow the road for another 2.7 km to the trail head.

*the trail head is next to a large rock on the left side of the road, just before the 5 km sign.

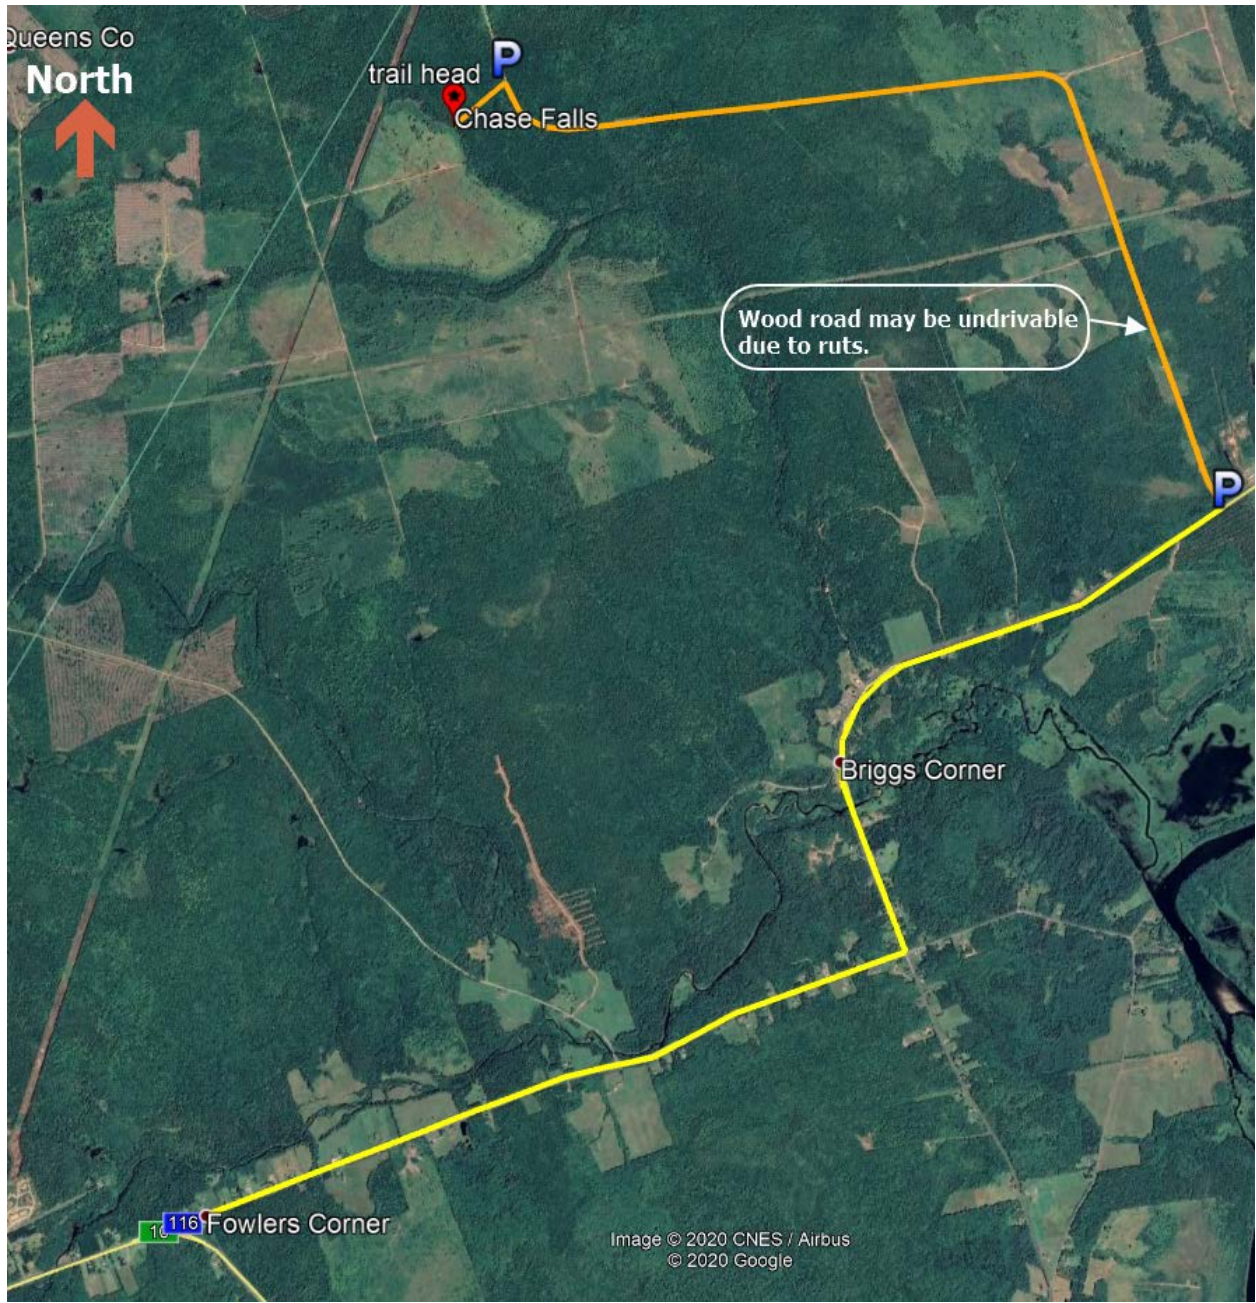

The Trail:

The trail is short, well cleared and leads to a picnic table above the falls.

At the falls, a short steep path with guide ropes leads down to the base of the falls.
