

DAWSON MOUNTAIN (St. George area)

Distance: 3.5 km return

Difficulty: Moderate

Getting There:

From the Catholic Church in St. George, drive north on route 770 for about 9.9 km to civic address 990.

Park on the opposite side of the road in a large pull off area.

Walk back a few meters across the Bonny River bridge to an atv trail on your right.

The Trail:

Follow the atv trail (an old rail bed), for 800 meters to where it splits in two. (45° 12.866'N 66° 51.331'W)

Take the left hand trail and walk 480 meters to an insignificant trail on the left. (flagged orange) (45° 12.844'N 66° 51.492'W)

This side trail soon widens out. Follow the trail for about 300 meters to the top of Dawson Mountain where there are various open areas, mosses, large white pines and good views to the west.

Return to the main trail, turn left and walk 160 meters to an interesting granite quarry with nice views of the Magaguadavic River.
