

Florenceville Area Tour

1. Stickney Falls

From the bridge in downtown Florenceville, drive downriver on NB-105 for 8 km.

Turn left onto Lumber Rd. and drive up the hill for 325 meters.

Turn right onto Bell St. and park at the Community Center near the corner.

Walk across Lumber Rd. and take the faint path to the left of a large debris pile.

Walk down the trail for about 50 meters to overlook the falls. *steep trails to left and right descend to the brook.

2. **The Pinnacle** *a short but extremely steep trail.

Return via NB-105 to the bridge in downtown Florenceville.

Continue on NB-105 for another 380 meters and turn right onto the ramp for NB-130 heading south east.

From the corner drive 1.9 km south and turn left onto Burnham Rd.

Drive about 900 meters up the hill and check out Noah's Ark on the right.

Continue for another 1.2 km and turn left onto the Old Glassville Rd.

Drive about 600 meters and park just past a side road on the left.

Walk in this side road a few meters and locate the flagged trail on the right.

Take the steep 300 meter trail to the top of this look-off.

3. **Tracey Mills Dam**

Return to the bridge in downtown Florenceville.

Cross the bridge and drive 1 km to NB-110

Turn left and drive about 9.5 km on NB-110 the intersection with NB-550.

Park near the intersection and walk down towards the dam.

4. (a) **Shogomoc Railway Museum**

Return to downtown Florenceville, and turn left onto NB-105.

Drive 4.6 km and check out the Shogomoc Railway Museum on the left. *9189 Main St.

(b) **Shiktehawk Stream Park + Trail**

Continue on NB-105 for another 650 meters and turn right into this small park.

The trail begins to the left of the shelter, and follows the stream for 2 km to the Lockhart's Mill Rd.

5. **Moose Mountain** *very nice on a bright fall day.

Distance: 4.5 km return

Time: 3 hours

Difficulty: Moderate

(Getting There)

Continue north on NB-105 for another 4.8 km and turn right onto Mechanic St. /NB-565

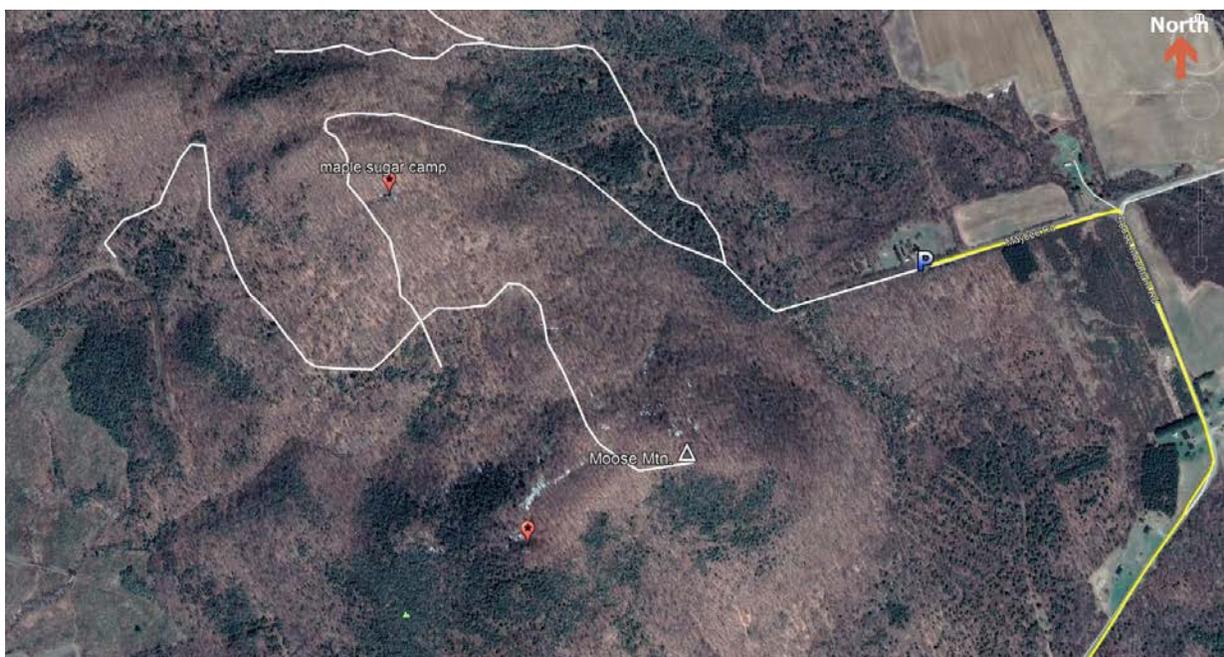

Drive 13 km to a Y intersection beside a lake, and take the right hand arm onto Moose Mtn. Rd.

Drive 2 km and turn left onto Maybee Rd.

Drive about 400 meters and park near a turning area.

(The Trail)

Walk straight up the old road for about 300 meters, and then follow the trail north-west for about 1 km to where it turns sharply left (south-east.) After another 200 meters the trail levels out momentarily and there will be a maple sugar camp on the left. Continue on uphill for another 250 meters to a trail intersection. Turn left and walk about 650 meters up to the top.

6. Kenneth Look-off

Return to the Shogomoc Railway Museum area and turn left onto NB-107.

Drive about 13.3 km to Glassville.

Turn left and drive about 150 meters, then veer left onto Centre Glassville Rd.

Drive 4.5 km and turn left onto W. Crossing Rd.

Drive 2 km to an intersection and continue straight onto Kenneth Rd.

Drive 6.2 km to a 3-way intersection.

Turn left and drive about 350 meters to a side road on the left.

Depending on road conditions, walk or drive the remaining 600 meters to the look-off.

Options for returning to Fredericton:

1. NB-2 *TCH
2. NB-105 *follows the east side of the Saint John River back to Fredericton.
3. NB-107 *via Juniper, Napadogan + Stanley back to Fredericton.
