

MATTHEW'S HEAD LOOP (Fundy National Park)

Distance: 4.7 km loop

Difficulty: Moderate

GETTING THERE

From near the Administration area of Fundy National Park, take the Point Wolfe road for 6 km. Turn left onto Herring Cove Road and drive 1.6 km to a parking area on the right.

THE TRAIL

From the parking area take the trail that goes straight ahead for about 200 meters until it turns sharply left.

From here the trail goes fairly straight for 1.25 km to an intersection.

Take the right hand fork and walk about 130 meters to Matthew's Head Look off.

Follow the trail 350 meters to a beach.

The trail then continues for 1.2 km to the Squaws Cap Look off

Continue for another 700 meters to an intersection.

Take the right hand fork and walk 900 meters back to the parking area.
