

## **MILL LAKE BLUFF TRAIL** (St. George area)

**Distance:** 1 km return

**Difficulty:** Moderate

This is a short but interesting trail that passes along a ridge through old growth forest to a secluded look-off.

**Caution:**

The parking area is on a sharp turn at the top of a steep hill.

It is best to approach the parking area from the south, and then exit northward.

The look-off area slopes down to a steep cliff, so keep well back from the edge.

**Getting There:**

Travel Route 1 to Saint George, take exit 56 and drive 2.8 km towards Lake Utopia.

At the junction of Routes 780 and 785, turn left onto Route 785.

Drive north on Route 785 for 5.8 km and pull off in a cleared area on the right, at the top of a steep hill.

**The Trail:**

Walk into the woods to the LEFT of the cleared area and locate the orange flagged trail.

The trail first loops around a steep rocky hill, then follows a gully up to the top of the ridge.

The trail then goes northward along the ridge to the look-off.

As you walk along the ridge you will see some very large birch and spruce trees.

The Mill Lake Look-off is a small grassy area with a view to the east across Mill Lake.
